

A Stitch in Time

Meet the Family....

In keeping with tradition, we would like to introduce you to the members of our office "family," including **Dr. Bradley Schaffer**.

Dr. Schaffer earned his MD from BU in Boston. He completed his plastic surgery residency and hand fellowship programs at UMass in Worcester.

In addition to hand and micro-surgery, Dr. Schaffer has a particular interest in postpartum body restoration surgery such as tummy tuck, breast lift and breast augmentation.

Dr. Schaffer and his family live in Shrewsbury . He enjoys golf, mountain biking, downhill skiing and most outdoor activities.

De- "crease" your holiday stress

Facial fillers such as Hylaform® Plus, Restylane and Radiesse can soften facial lines and grooves, such as the "frown" lines and marionette lines with *little or no down time*. Botox® weakens the muscles that cause forehead lines and crows-feet and can create an overall softer look and less-stressed appearance.

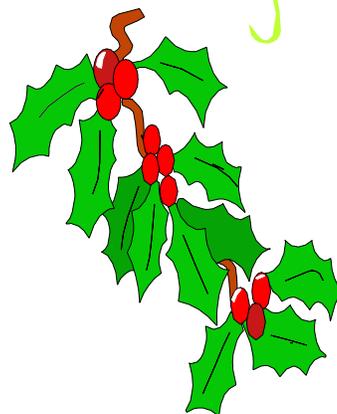

These procedures are available in the office immediately following a short consultation with Dr. Shenko or Dr. Schaffer.

**We will waive your consult fee (\$100)
if you receive a treatment the same day
as your consultation!!**

(Good in December only)

Call today to schedule an appointment-
so you can at least *look* like you're
happy to see your in-laws!!

Please note that the **new entrance**
to our parking lot is now located on
Shattuck Street. Parking is free,
but you will need to exchange your ticket
in our office for a token to exit the lot.
