A Stitch in Time

Meet the Family....

In keeping with tradition, we would like to introduce you to our newest office family member, **Kali Tasos, Medical Secretary.**

Kali joined us in November 2006 after 2 ½ years at the VNA. She is a great addition to our team and will hopefully be with us for many years to come. She enjoys shopping and spending time with her 10 year old daughter and their new puppy. Kali was raised in the Worcester area and still lives here with her family.

Birthday sale-a-bration!

In honor of our first "birthday" and to thank you for your continued loyalty and support, we are offering

20% off

all SkinCeuticals skin care products, Botox®, and facial fillers!

SkinCeuticals offers a complete skin care program to help correct current skin problems (such as wrinkles, irregular pigmentation and acne), prevent future damage and protect healthy skin.

Botox® is a purified toxin that improves the appearance of facial lines and wrinkles by temporarily relaxing the overactive muscles involved in creating those lines. Results last 2-5 months and last longer with each treatment.

Facial fillers, such as Captique, Restylane, and Radiesse replace the support layers in the skin that naturally break down with age, resulting in smile lines, vertical lip lines around the mouth, marionette lines and naso-labial folds. Results last 3-18 months depending on which product is used and which area is treated.

We offer a
Volume Filler Discount
